

MARIPOSA COUNTY ORDINANCE NO. 404

The Board of Supervisors of the County of Mariposa do ordain as follows:

SECTION I: Section 8.0 of Mariposa County Ordinance No. 395 is hereby amended to read as follows:

This ordinance takes effect and shall be in force from and after the 28th of June, 1975, and shall remain in full force and effect for a period of 90 days to give the Planning Commission and Board of Supervisors of the County of Mariposa time to hold public hearings and study on the effects of relating to subdivision of land to comply with the requirements of SB 977 (Stats. 1974 Ch. 1536).

SECTION II: This ordinance is declared to be an ordinance necessary for the immediate preservation of the public peace, health and safety within the meaning of Section 25123 of the Government Code and shall take effect immediately. The facts constituting such necessity are as follows:

The Subdivision Map Act has been extensively amended by Statutes 1974 Chapter 1536 which included removal of its provisions from the Business and Professions Code and re-enactment with substantial changes in structure and complete renumbering of sections into the Government Code to become operative on March 1, 1975. This ordinance proposes an extension of time in which Mariposa County Ordinance No. 395 will remain in effect, which is necessary in order to have the requisite number of public hearings prior to the adoption of said ordinance to make said ordinance consistent with SB 977 (Stats. 1974 Ch. 1536). If

1 this ordinance is not adopted immediately as an urgency
2 measure it will not be effective for a period of 30 days or
3 until July 24, 1975, during which time confusion will result
4 due to the nonconformity of existing county ordinances with
5 state law.
