RE: Contract for Services Agreements for the Mariposa County Invasive Noxious Weed Program

### RECOMMENDATION AND JUSTIFICATION:

Approve the Contract for Services Agreements with Dan Wice and California Reforestation for Implementation of the Mariposa County Invasive Noxious Weed Program for FY 2016/2017 and authorize the Board of Supervisors Chair to sign the agreements (2).

The Mariposa County Invasive Noxious Weed Program continues control work on invasive noxious weeds (yellow starthistle, tocalote, Klamath weed, and other invasive weed species) that began in 2001. This work was previously funded under SB 1740 and AB 2479 - legislation that established and funded Weed Management Alliances (WMAs). Mariposa County is a member of the Sierra - San Joaquin Noxious Weed Alliance (Mariposa, Madera, and Fresno Counties).

The Mariposa County Invasive Noxious Weed Program provides for the continuation of work on yellow starthistle and other invasive noxious weed control projects for FY 2016/2017 and is in the amount of \$20,000. Funding for the contract is included in the Agricultural Commissioner budget for FY 2016/2017 and provides base funding for invasive noxious weed control projects (cost-share, public right-of-ways and other areas, CDFA rated weed species, and other invasive weed control projects as needed) as well as an in-kind match for other grant-funded invasive noxious weed projects.
