## **RESOLUTION - ACTION REQUESTED 2016-483**

MEETING: September 20, 2016  
TO: The Board of Supervisors  
FROM: Mary Hodson, CAO  
RE: Contract with 2MC Productions

---

### **RECOMMENDATION AND JUSTIFICATION:**

Approve a Contract for Services with 2MC Productions to Provide Video Production Services for County Departments in a Not-to-Exceed Amount of \$5,000; and Authorize the Board of Supervisors Chair to Sign the Contract for Services. The Board of Supervisors and County Departments have shown an interest in displaying video messages and public service announcements on county websites.

Please see the attached Memorandum for additional information.

County departments wishing to utilize these video production services will coordinate with the Technical Services Director.

### **BACKGROUND AND HISTORY OF BOARD ACTIONS:**

The Board authorized the Technical Services Director to solicit a Request for Proposal (RFP) for video production services in October 2015.

The Board approved the website video and social media policy in June 2016.

### **ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:**

Do not approve the Contract for Services. County departments wishing to have a video message or public service announcement on the website will need to produce their own or contract individually for this service.

### **FINANCIAL IMPACT:**

Individual county departments that wish to utilize the service will need to budget accordingly.

Contractor agrees to maintain a policy of liability insurance in the minimum amount of One Million Dollars (\$1,000,000) to cover such claims or in an amount determined appropriate by the County Risk Manager. Contractor shall furnish a certificate of insurance evidencing such insurance and naming the County as an additional insured for the above-cited liability coverage prior to commencing work. It is understood that the duty of Contractor to indemnify and hold harmless includes the duty to defend as set forth in Section 2778 of the California Civil Code. Acceptance by County of insurance certificates and endorsements required under this Contract does not relieve Contractor from liability under this indemnification and hold harmless clause. This indemnification and hold harmless clause shall apply to any damages or claims for damages whether or not such insurance policies shall have been determined to apply. By execution of this Contract, Contractor acknowledges and agrees to the provisions of this Section and that it is a material element of consideration.

The General Liability insurance shall be provided by an ISO Commercial General Liability policy, with edition dates of 1985, 1988, or 1990. The County will be named as an additional insured using ISO form CG 2010 1185 or the same form with an edition date no later than 1990, or in other form satisfactory to County.

- 5.04** Certificate of Insurance: Contractor shall complete and file with the County prior to engaging in any operation or activity set forth in this Contract, certificates of insurance evidencing coverage as set forth in paragraphs 5.02 and 5.03 above and which shall provide that no cancellation or expiration by the insurance company will be made during the term of this Contract, without thirty (30) days written notice to County prior to the effective date of such cancellation.
- 5.05** Workers' Compensation: During the term of this Contract Contractor agrees to provide workers' compensation insurance for Contractor's employees and agents and agrees to hold harmless and indemnify County for any and all claims arising out of any injury, disability, or death of any of Contractor's employees or agents.
- 5.06** Public Employees Retirement System (CalPERS): In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Contract is determined by a court of competent jurisdiction or the Public Employees Retirement System (CalPERS) to be eligible for enrollment in CalPERS as an employee of the County, Contractor shall indemnify, defend, and hold harmless County for the payment of any employee and/or employer contributions for CalPERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of County.
- 5.07** State and Federal Taxes: As Contractor is not County's employee; Contractor is responsible for paying all required state and federal taxes. In particular:
- a. County will not withhold FICA (Social Security) from Contractor's payments;
  - b. County will not make state or federal unemployment insurance contributions on behalf of Contractor;
  - c. County will not withhold state or federal income tax from payment to Contractor;
  - d. County will not make disability insurance contributions on behalf of Contractor;
  - e. County will not obtain workers' compensation insurance on behalf of Contractor.
- 5.08** Records: It is understood and agreed that all plans, studies, specifications, data magnetically or otherwise recorded on computer or computer diskettes, records, files,

reports, etc., in possession of the Contractor relating to the matters covered by this Contract shall be the property of the County, and Contractor hereby agrees to deliver the same to the County upon request. It is understood and agreed that the documents and other materials including but not limited to those set forth hereinabove, prepared pursuant to this Contract are prepared specifically for the County and are not necessarily suitable for any future or other use.

**5.09** Contractor's Books and Records: Contractor shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, and other records or documents evidencing or relating to charges for services or expenditures and disbursements charged to the County for a minimum of three (3) years, or for any longer period required by law, from the date of final payment to the Contractor. Any records or documents required to be maintained shall be made available for inspection, audit and/or copying at any time during regular business hours, upon oral or written request of the County.

**5.10** Assignability of Contract: It is understood and agreed that this Contract contemplates personal performance by the Contractor and is based upon a determination of its unique personal competence and experience and upon its specialized personal knowledge. Assignments of any or all rights, duties or obligations of the Contractor under this Contract will be permitted only with the express written consent of the County.

## **ARTICLE 6. OBLIGATIONS OF COUNTY**

**6.01** Cooperation of County: County agrees to comply with all reasonable requests of Contractor and to provide access to all documents as permitted by law necessary to the performance of Contractor's duties under this Contract.

**6.02** Assignment: Neither this Contract nor any duties or obligations under this Contract may be assigned by County without the prior written consent of Contractor.

## **ARTICLE 7. TERMINATION OF CONTRACT**

**7.01** Termination on Occurrence of Stated Events: This Contract shall terminate automatically on the occurrence of any of the following events:

1. Bankruptcy or insolvency of Contractor;
2. Death of Contractor.

**7.02** Termination by County for Default of Contractor: Should Contractor default in the performance of this Contract or materially breach any of its provisions, County, at County's option, may terminate this Contract by giving written notification to Contractor.

- 7.03** Termination for Convenience of County: County may terminate this Contract at any time by providing a notice in writing to Contractor that the Contract is terminated. Said Contract shall then be deemed terminated and no further work shall be performed by Contractor. If the Contract is so terminated, the Contractor shall be paid for that percentage of the phase of work actually completed, based on a pro rata portion of the compensation for said phase satisfactorily completed at the time the notice of termination is received.
- 7.04** Termination of Funding: The parties acknowledge that the nature of government finance is unpredictable and that the rights and obligations set forth in this Contract are necessarily contingent upon the receipt and/or appropriation of the necessary funds. In the event that funding is terminated, in whole or in part, for any reason, at any time, this Contract and all obligations of County arising from this Contract shall be immediately discharged. County agrees to inform Contractor no later than thirty (30) calendar days after County determines, in its sole judgment, that funding will be terminated and the final date for which funding will be available.

## **ARTICLE 8. GENERAL PROVISIONS**

- 8.01** Notices: Any notices to be given hereunder by either party to the other may be effected either by personal delivery in writing or by mail, registered or certified, postage prepaid and return receipt requested. Mailed notices shall be addressed to the parties at the addresses appearing in the introductory paragraph of this Contract, but each party may change the address by written notice in accordance with this paragraph. Notices delivered personally will be deemed communicated as of actual receipt; mailed notices will be deemed communicated as of two (2) days after mailing.
- 8.02** Entire Agreement of the Parties: This Contract supersedes any and all contracts, either oral or written, between the Parties hereto with respect to the rendering of services by Contractor for County and contains all the covenants and contracts between the Parties with respect to the rendering of such services in any manner whatsoever. Each Party to this Contract acknowledges that no representatives, inducements, promises, or contracts, orally or otherwise, have been made by any Party, or anyone acting on behalf of any Party, which are not embodied herein, and that no other contract, statement, or promise not contained in this Contract shall be valid or binding. Any modification of this Contract will be effective only if it is in writing signed by the Party to be charged and approved by the County as provided herein or as otherwise required by law.

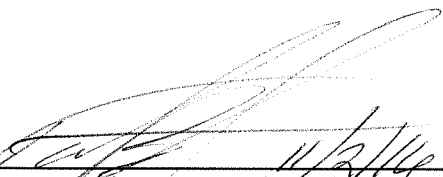

- 8.03 Partial Invalidity: If any provision in this Contract is held by a court or competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.
  
- 8.04 Attorney's Fees: If any action at law or in equity, including an action for declaratory relief, is brought to enforce or interpret the provisions of this Contract, the prevailing Party will be entitled to reasonable attorney's fees, which may be set by the court in the same action or in a separate action brought for that purpose, in addition to any other relief to which that Party may be entitled.
  
- 8.05 Conformance to Applicable Laws: Contractor shall comply with the standard of care regarding all applicable federal, state and county laws, rules and ordinances. No discrimination shall be made by Contractor in the employment of persons who work under this contract because of race, color, national origin, ancestry, disability, sex or religion of such person.
  
- 8.06 Waiver: In the event that either County or Contractor shall at any time or times waive any breach of this Contract by the other, such waiver shall not constitute a waiver of any other or succeeding breach of this Contract, whether of the same or any other covenant, condition or obligation.
  
- 8.07 Governing Law: This Contract and all matters relating to it shall be governed by the laws of the State of California and County of Mariposa and any action brought relating to this Contract shall be held exclusively in a state court in the County of Mariposa.
