RESOLUTION - ACTION REQUESTED 2016-609

MEETING: November 22, 2016

TO: The Board of Supervisors

FROM: Tony Stobbe, Public Works Director

RE: Roadside Weed Spraying

RECOMMENDATION AND JUSTIFICATION:

Approve a Professional Services Agreement with California Reforestation for Roadside Herbicide and Pre-Emergent Spraying with a not-to-exceed amount of \$75,000; and Authorize the Board of Supervisors Chair to Sign the Agreement. This agreement will allow for herbicide and pre-emergent application of approximately 600 lane miles along County maintained Road Right-of-Way. The vendor, California Reforestation, is familiar with the County Road System as they have successfully provided these services in the past and are a known provider in good standing of these services with the Mariposa County Agriculture Department.

New for this year, the Department is starting an Opt-Out Program whereby residents with property adjacent to County Right-of-Way will have an ability to opt-out of the chemical application program in exchange for the property owner assuming weed control responsibility. Those residents seeking more information on the Opt-Out Program are encouraged to visit the Public Works Department in person at 4639 Ben Hur Road for additional information and to fill out the application agreement required to participate in this program. A copy of the application is included with this item. Enrollment in the Opt-Out Program will last for a period of two years unless otherwise revoked by the resident or by the Department due to breach of the terms of the program.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

On January 5, 2016, Resolution 2016-17 the Board of Supervisors approved a Contract for Services to this vendor for similar roadside weed spraying services. Weed spraying was also a priority during the Fiscal Year 2016-17 Final Budget Hearings.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

The Board could chose to not approve the agreement and provide alternative direction to the Director of Public Works.

FINANCIAL IMPACT:

Funding for this item is included in the approved Road budget.

- 5.09** Contractor's Books and Records: Contractor shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, and other records or documents evidencing or relating to charges for services or expenditures and disbursements charged to the County for a minimum of three (3) years, or for any longer period required by law, from the date of final payment to the Contractor. Any records or documents required to be maintained shall be made available for inspection, audit and/or copying at any time during regular business hours, upon oral or written request of the County.
- 5.10** Assignability of Contract: It is understood and agreed that this Contract contemplates personal performance by the Contractor and is based upon a determination of its unique personal competence and experience and upon its specialized personal knowledge. - 7.03** Termination for Convenience of County: County may terminate this Contract at any time by providing a notice in writing to Contractor that the Contract is terminated. Said Contract shall then be deemed terminated and no further work shall be performed by Contractor. If the Contract is so terminated, the Contractor shall be paid for that percentage of the phase of work actually completed, based on a pro rata portion of the compensation for said phase satisfactorily completed at the time the notice of termination is received.
- 7.04** Termination of Funding: The parties acknowledge that the nature of government finance is unpredictable and that the rights and obligations set forth in this Contract are necessarily

contingent upon the receipt and/or appropriation of the necessary funds. In the event that funding is terminated, in whole or in part, for any reason, at any time, this Contract and all obligations of County arising from this Contract shall be immediately discharged. County agrees to inform Contractor no later than thirty (30) calendar days after County determines, in its sole judgment, that funding will be terminated and the final date for which funding will be available.

ARTICLE 8. GENERAL PROVISIONS

- 8.01** Notices: Any notices to be given hereunder by either party to the other may be effected either by personal delivery in writing or by mail, registered or certified, postage prepaid and return receipt requested. Mailed notices shall be addressed to the parties at the addresses appearing in the introductory paragraph of this Contract, but each party may change the address by written notice in accordance with this paragraph. Notices delivered personally will be deemed communicated as of actual receipt; mailed notices will be deemed communicated as of two (2) days after mailing.

Any modification of this Contract will be effective only if it is in writing signed by the Party to be charged and approved by the County as provided herein or as otherwise required by law.
- 8.03** Partial Invalidity: If any provision in this Contract is held by a court or competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.
- 8.04** Attorney's Fees: If any action at law or in equity, including an action for declaratory relief, is brought to enforce or interpret the provisions of this Contract, the prevailing Party will be entitled to reasonable attorney's fees, which may be set by the court in the same action or in a separate action brought for that purpose, in addition to any other relief to which that Party may be entitled.
- 8.05** Conformance to Applicable Laws: Contractor shall comply with the standard of care regarding all applicable federal, state and county laws, rules and ordinances. No discrimination shall be made by Contractor in the employment of persons who work under this contract because of race, color, national origin, ancestry, disability, sex or religion of such person.
