A.O. Initials: 

The Solid Waste Recycling Task Force is to be co-chaired by Supervisors Arthur G. Baggett, Jr. and Eric J. Erickson. The Solid Waste Recycling Task Force shall include the following representation: Yosemite National Park Service, Yosemite-Curry Company, Total Waste Systems, James A. Wyse, Inc., Gary Coliver (public member), Mariposa County Health, Mariposa County Public Works Department, and Mariposa County Planning Department. The composition of the Solid Waste Recycling Task Force shall remain unchanged unless otherwise authorized by the Board of Supervisors.

The purpose of the Solid Waste Recycling Task Force is to assist in coordinating the development of the AB939 required Source Reduction and Recycling Element and all associated components. The Solid Waste Recycling Task Force shall do the following to ensure a coordinated and cost-effective regional and County-wide recycling system.

- Identify solid waste management issues of County-wide and regional concern.
- Determine the need and viability of recyclable material collection systems, processing facilities, and marketing strategies both on a County-wide and regional basis.
- Facilitate the development of multijurisdictional recycling systems.
- To the extent possible, facilitate resolution of conflicts or inconsistencies of recycling programs.
- Consider source reduction efforts which may be viable for further evaluation.
- Evaluate various avenues of special funding of source reduction and/or recycling projects.

The Solid Waste Recycling Task Force shall periodically prepare progress reports for the Board of Supervisors' information. When Board of Supervisors action is necessary, the Task Force will prepare required Board Agenda Transmittal and Action Forms.

This Task Force has the primary goals of: coordinating the Resource Reduction and Recycling Element which is required by AB939 to be completed by July 1, 1991. After completion of the Resource Reduction and Recycling Element, the Task Force will assist in implementation of the Board of Supervisor approved Resource Reduction and Recycling System items.
