RECOMMENDED ACTION AND JUSTIFICATION:

Public Works recommends that the Board of Supervisors discontinue recycling services with Mother Lode Recycling. For details see attachment No. 1.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

On July 7th the Board of Supervisors approved a contract with Mother Lode Recycling for three years with an option for an additional three years service.

On August 11, 1989 the County entered into an agreement with Total Waste Systems for operation of the land fill for ten years. This contract includes recycling services that have not been utilized by the County.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

- 1.) Execute a new contract with Mother Lode Recycling. This may require additional staff time for the enforcement of this new contract.
- 2.) Obtain requests for proposals from other Recycling contractors. Having different landfill and recycling contractors may be detrimental to operating efficiencies.
