Public Works · 209 966 5356

RESOLUTION - ACTION REQUESTED 2018-330

MEETING: July 10, 2018
TO: The Board of Supervisors
FROM: Mike Healy, Public Works Director
RE: Approve Adjustments to SB1 Project Submittal

RECOMMENDATION AND JUSTIFICATION:

Approve Project Amendments to the 2019 SB1 Project Submittal.

The amended list attached to this item incorporates priorities that have surfaced over the past several months as roads have endured severe weather, increased traffic from detours or closures of nearby roads and highways, and wear from continued use and age. As has always been the case, strategic factors surrounding safe pedestrian, bicycle and vehicle traffic and transportation's contributions to overall community welfare were also considered. Staff is recommending approval to allow work to move forward without delay.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

Annually the County is required to submit a project list for projects to the California Transportation Commission where SB1 funding will be utilized. In the past, the director of public works and transportation has advised the Board that the project list is open to amendment throughout the year by the County and the attached list represents the current project program which have been filed with the State.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

The project list will not reflect SB1 project priorities.
