RE: Authorize the Submission of a FEMA/CalOES HMGP Grant

RECOMMENDATION AND JUSTIFICATION:

Authorize the Director, Public Works & Transportation to File a Hazard Mitigation Grant with FEMA/CalOES to add Floodproofing Measures to the Mariposa County Courthouse.

This action will allow for the submission of a Project under the Hazard Mitigation Grant Program which will allow for the replacement of sidewalks, and regrading of lawn areas near the Courthouse Foundation and adds lighting that meets the needs of pedestrian safety.

The Total Budget for this Project is \$350,000.00 of which \$87,500 will be Local Share.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board has invested Hundreds of Thousands of Local Resource Funding Dollars toward the Historic Restoration of this critically important local Landmark.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

The County will have to commit 100% of the Funding for this Project at some point in time. Given the timing of this Grant Program the County has submitted an application prior to Board Approval but should the Board not approve this request the submission can be withdrawn.
