RESOLUTION - ACTION REQUESTED 2019-196

MEETING: April 16, 2019
TO: The Board of Supervisors
FROM: Chevon Kothari, Health and Human Services Director
RE: Compass Counseling Mental Health Provider Agreement

RECOMMENDATION AND JUSTIFICATION:

Approve an agreement with Compass Counseling in an amount not to exceed \$150,000 to provide counseling services for mental health clients; and authorize the Board of Supervisors Chair to sign the agreement.

Compass Counseling is a Medi-Cal certified provider and may provide counseling services to clients that have Medicare, Medi-Cal, and/or private insurance.

Medi-Cal clients referred to this contractor may be seen as long as necessary for the purpose of stabilization. Clients seen over a period of time must continue to meet medical necessity as evidenced by a yearly treatment plan update. All records for these referred clients must be kept in the Mariposa County Behavioral Health Anasazi Electronic Health Record (EHR) system. Case documentation that meets professional standards must be kept in the Anasazi system, including acceptable updated assessments, treatment plans and progress notes. Documentation will be monitored by the Behavioral Health Utilization Review Committee. All independent contractors will work under the guidelines established by the Mental Health Services Contract currently in effect between Health and Human Services Agency and the State Department of Health Care Services (DHCS) as outlined in Exhibit A of the contract.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The current agreement for this facility was approved by the Board of Supervisors on August 7, 2018, through Resolution Number 2018-384.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

If the contract is not approved, we may have longer wait times for clients to be served.

FINANCIAL IMPACT:

This contract will continue to be paid within the Mental Health budget unit.
Contract costs are offset by Medi-Cal revenue claimed for services performed.
This contract is cost neutral to the County and there is no impact to the County General Fund.
