BOARD OF SUPERVISORS - COUNTY OF MARIPOSA  
RESOLUTION NO. 73-40

WHEREAS, there are presently five, or more, privately owned and operated Rated Aeration or Activated Sludge Sewage Treatment Plants operating in Mariposa County and,

WHEREAS, there are applications pending for the installation of at least eight additional private sewage treatment plants in Mariposa County, and,

WHEREAS, said private sewage treatment plants must comply with discharge requirements as prescribed by the Central Valley Regional Water Quality Control Board for the protection of surface and sub-surface water supplies, and,

WHEREAS, said private sewage treatment plants must be properly and efficiently operated and maintained if they are to function properly and prevent the existence of a public health nuisance, health hazard, or pollution of surface or sub-surface waters, now, therefore,

BE IT RESOLVED that any person installing a Rated Aeration, Activated Sludge, or similar sewage treatment plant after this date shall secure and provide the services of a California State Certified Sewage Treatment Plant Operator at the earliest date possible after such operators have been so certified by the State of California, and are required by State Law for operation

1 of Public Sewage Treatment Facilities.

2 BE IT FURTHER RESOLVED that said Certified Operator  
3 shall be available at all times that the sewage treatment plant  
4 is operated and/or required.

5 PASSED AND ADOPTED by the Board of Supervisors of the
