Health and Human Services · (209) 966-2000

RESOLUTION - ACTION REQUESTED 2019-259

MEETING: May 21, 2019

TO: The Board of Supervisors

FROM: Chevon Kothari, Health and Human Services Director

RE: CalREDIE Data Use and Disclosure Agreement

RECOMMENDATION AND JUSTIFICATION:

Approve the California Reportable Disease Information Exchange (CalREDIE) Data Use and Disclosure Agreement, with California Department of Public Health (CDPH) for a Term of Three Years; and Authorize the Health Officer to Sign the Agreement.

The CalREDIE is a computer application that the CDPH is implementing for web-based disease reporting and surveillance. Specified diseases and conditions are mandated by State laws and regulations to be reported by healthcare providers and laboratories to the public health authorities.

CalREDIE is California's project for a Public Health Information Network (PHIN)-compliant <<http://www.cdc.gov/phinf/>>electronic disease reporting and surveillance system integrated with electronic laboratory reporting (ELR). The purpose of this effort is to improve the efficiency of surveillance activities and the early detection of public health events through the collection of more complete and timely surveillance information on a State-wide basis. A secure, web-based electronic solution is being implemented for health care providers to report cases of conditions of public health interest; and for laboratories to report laboratory reports for notifiable conditions to local health departments (LHDs) and the CDPH. This will allow for 24/7/365 reporting and receipt of notifiable conditions. LHDs and CDPH have access to disease and laboratory reports in near real-time for disease surveillance, public health investigation, and case management activities.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

Board of Supervisors approved the most recent agreement with California Department of Public Health on June 23, 2015 through Resolution No. 2015-295

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Do not approve the Agreement; the Mariposa County Health and Human Services Agency will not be able to participate in this program.

FINANCIAL IMPACT:

None.
