RESOLUTION - ACTION REQUESTED 2019-394

MEETING: July 9, 2019
TO: The Board of Supervisors
FROM: Chevon Kothari, Health and Human Services Director
RE: Modification of Agreement with JUMP Technology Services

RECOMMENDATION AND JUSTIFICATION:

Approve Modification to Three-Year Agreement with Jump Technology Services to Provide LEAPS a Cloud Based Adult Protective Services Software System; and Authorize the Board of Supervisors Chair to Sign the Modification.

This is a first-time agreement targeted for Adult Protective Services and Public Guardianship/Public Conservatorship clients within the Social Services division. This Agreement is to purchase software that will assist our team in maintaining and utilizing information that will best support our clients while keeping their information safe.

Both contractual partner and County determined that an additional software module is required to ensure the appropriate data collection is available for County and California Department of Social Services (CDSS). Therefore, modification to the current agreement must authorize inclusion of *Home Safe Data Collection and CDSS Reporting* and subsequent cost.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

Board of Supervisors approved agreement on December 13, 2016 through Resolution No. 2016-647.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Social Services Division will not receive the optimal level of service for an existing agreement and runs the risk of not meeting data collection requirements for California Department of Social Services.

FINANCIAL IMPACT:

There is sufficient funding in the Social Services Budget to fund this Agreement. There is no impact to the County General Fund.
