Fire · 209-966-4330

## RESOLUTION - ACTION REQUESTED 2019-711

MEETING: December 17, 2019

TO: The Board of Supervisors

**MINUTE ORDER ATTACHED**

FROM: Mike Van Loben Sels, Acting Fire Chief

RE: Mariposa County Fire Department Assistance by Hire Agreement

### RECOMMENDATION AND JUSTIFICATION:

Approve the Mariposa County Fire Department Assistance by Hire Agreement with the Madera-Mariposa-Merced Unit (MMU) of CAL FIRE; and Authorize the Board of Supervisors Chair to Sign the Agreement.

MMU desires to have local agreements that provide for Assistance by Hire (ABH) utilization of Mariposa County firefighting resources to augment CAL FIRE resources in support of the State's mission within the State Responsibility Areas (SRA) of MMU when the need arises.

The current ABH with MMU was approved on December 18, 2007, and is in need of updating. The new ABH will be in line with the current California Office of Emergency Services (Cal OES) rates and standards as set by the California Fire Assistance Agreement (CFAA).

### BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board of Supervisors has approved an Assistance by Hire Agreement with MMU in the past.

### ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Mariposa County will continue to lose reimbursement from resources supporting the State mission in the SRA of MMU.

### FINANCIAL IMPACT:

**This ABH agreement will increase the amount of revenue Mariposa County receives from CAL FIRE when County Fire resources are hired to support the State mission in the SRA of MMU.**

## MARIPOSA COUNTY BOARD OF SUPERVISORS MINUTE ORDER

TO: MIKE VAN LOBEN SELS/Fire Chief  
FROM: RENÉ LaROCHE/Clerk of the Board *RL*  
SUBJECT: Approve the Mariposa County Fire Department Assistance by Hire Agreement with the Madera-Mariposa-Merced Unit of CAL FIRE; and Authorize the Board of Supervisors Chair to Sign the Agreement  
RESOLUTION: **19-711**

The following action was taken by the Mariposa County Board of Supervisors on **December 17, 2019:**

**CA10. Fire RES-2019-711**

Approve the Mariposa County Fire Department Assistance by Hire Agreement with the Madera-Mariposa-Merced Unit of CAL FIRE; and Authorize the Board of Supervisors Chair to Sign the Agreement

Bernie Quinn/CAL FIRE Chief noted corrections in CA10. Joe Lynch/Health and Human Services Deputy Director of Administration provided overviews of CA6 and CA12 in response to Supervisor Cann's inquiry. Supervisor Long extended kudos regarding CA10 and CA17. Supervisors Jones, Long, and Cann extended thanks for the quick turnaround for CA21.

**CORRECTION: CA10 agreement - Page 6, Type VI engine, change "...shall have three (3) person staffing to include one (1) Company Officer/Engine Boss and two (2) Firefighters" to "...shall have two (2) person staffing to include one (1) Company Officer/Engine Boss and one (1) Firefighter."**

**RESULT:** ADOPTED [UNANIMOUS]  
**MOVER:** Marshall Long, District III Supervisor  
**SECONDER:** Merlin Jones, District II Supervisor  
**AYES:** Smallcombe, Jones, Long, Cann, Menetrey

***CAL FIRE***  
**Madera-Mariposa-Merced Unit**  
**2020 Local Government**  
**Assistance by Hire Agreement**

**Madera-Mariposa-Merced Unit  
2020 Local Government Assistance by Hire Agreement**

**Purpose**

The Madera-Mariposa-Merced Unit (MMU) desires to have local agreements that provide for Assistance by Hire (ABH) utilization of local government firefighting resources to augment CAL FIRE resources in support of the State's mission within the State Responsibility Areas (SRA) of MMU when the need arises.

To provide direction to CAL FIRE Incident Commanders and local government cooperating agencies within and adjacent to MMU in regards to the appropriate utilization of local government firefighting resources for State mission purposes on CAL FIRE controlled incidents; and the terms under which they will or will not be reimbursed.

Parties to this agreement agree that local government firefighting resources have commonly understood and/or mandated local responsibilities within their jurisdiction that may have concurrent, overlapping and/or adjacent State and local initial attack resource response to what may be a CAL FIRE controlled incident.

Per this agreement during these incidents local government resources will only be reimbursed by CAL FIRE if they meet the terms of this agreement and are assigned by the CAL FIRE Incident Commander to support State mission.

**MMU Local Government ABH Reimbursement "Time Threshold"**

**Reimbursement**

Reimbursement for local government resources under this agreement, when assigned to State mission, will begin January 1, 2020, two (2) hours after initial response and be retroactive back to the time of initial response of the individual resource assigned to the primary task of wildland suppression.

When CAL FIRE hires local government resources for station coverage the local government entity will be reimbursed from the time they are staffed until they are released from the station coverage assignment.

Water Tenders that respond on the Initial Dispatch would be compensated after being assigned to an incident two (2) hours after initial response and be retroactive back to the time of initial response of the individual resource.

**Non-Reimbursement**

CAL FIRE cannot reimburse for apparatus that has been assigned under the Federal or State Excess Property Programs. This apparatus is "on loan" and remain the property of the lending level of government.

CAL FIRE cannot reimburse for resources assigned to local government fire departments by Cal OES.

## **MMU Local Government ABH Agreement Procedures**

### **Initiating Agreement**

Local Government Fire Departments shall contact the designated MMU Hired Equipment Coordinator to request participation in the MMU Assistance by Hire (ABH) Program. Local government apparatus and personnel to be included in the program are required to be under agreement prior to utilization as identified on the MMU ABH Agreement Form. See attached.

Agreements and Rates shall be renewed every three years on January 1. Updates and/or edits can be initiated annually as needed between January 1 and March 31.

### **Establishing Rates**

The MMU Local ABH reimbursement rates for both equipment and personnel shall be based on those effective in the CFAA and Cal OES Salary Survey on January 1. These rates will not change if the CFAA and/or Cal OES Salary Survey or equipment rates are updated mid year. See attached.

Cal OES link:

[https://www.caloes.ca.gov/FireRescueSite/Documents/2017\\_Final\\_Rate\\_Letter\\_PDF\\_October\\_1\\_2017.pdf](https://www.caloes.ca.gov/FireRescueSite/Documents/2017_Final_Rate_Letter_PDF_October_1_2017.pdf)

### **MMU ABH Agreement and Form**

The local government agency to provide ABH will verify the engine and water tender gallon per minute pump capacity rating (GPM) so the hourly rate for each may be calculated and entered on the MMU ABH Agreement Form. CAL FIRE reserves the right to have the local government agency bring the resource to a state facility to have it pump tested.

The agreement number shall be the MMU Units "three letter identifier" followed by the eight digit CAL FIRE vendor number. If the vendor number is not available, a CAL FIRE Payee Data Record STD-204 must be completed.

Both the MMU Unit Chief and the local government agency representative completing the MMU ABH Agreement Form will sign the agreement. A copy will go to the MMU Hired Equipment Coordinator and the MMU Assistant Chief – Administration.

The local government agency to provide ABH will receive a copy of this signatory agreement and the MMU ABH Agreement Form for each apparatus and personnel to be included in the ABH program.

It is the responsibility of the local government agency desiring to provide ABH to read and ensure compliance with all provisions of this agreement and each applicable MMU ABH Agreement Form.

## **MMU Local Government ABH Payment Procedures**

### **Time Keeping**

It will be the responsibility of the Incident Commander or designee to assure the appropriate timekeeping forms for all apparatus and personnel are completed.

The only acceptable timekeeping documentation is the CAL FIRE-297 Shift Ticket with evaluation or a Form FC33. See attached.

The CAL FIRE Incident Commander or designee, responsible for assigning the local government resource shall also be responsible for compiling, auditing and processing all timekeeping and payment documentation in a timely manner.

### **Payment Documents**

A CAL FIRE-93 will be used to pay the local government agency providing ABH. It will have as attachments a copy of the MMU ABH Agreement Form, completed CAL FIRE-297 Shift Ticket and a completed CAL FIRE-20. In addition, a CAL FIRE ME-15 and ME-107 may be attached as required. See Sample Pay Documents Package.

## **MMU Local Government ABH Apparatus**

### **Apparatus Condition**

Apparatus must be in good mechanical condition and can sustain arduous duty assignments. CAL FIRE reserves the right to perform safety compliance inspections of local government apparatus prior to acceptance of apparatus to be hired under this agreement.

### **Apparatus Liability**

CAL FIRE assumes no liability for any damages to any local government equipment. No local government official or fire department may obligate the State to financial liability.

### **Apparatus Repairs**

Minor damage caused by the incident or operating conditions may be reimbursed by CAL FIRE and documented on a CAL FIRE ME-107 form. Major damage will be addressed through the California Victim Compensation and Government Claims Board procedures. Driver negligent damage is the responsibility of the local government agency providing the ABH. Any inspection will be documented on a CAL FIRE ME-15 form.

CAL FIRE must be notified of any damage to local government apparatus hired under this agreement prior to release from the incident.

## **Unstaffed versus Staffed ABH Guidelines**

### **Unstaffed**

When local government owned apparatus is hired unstaffed, the apparatus will be staffed by CAL FIRE personnel to meet CAL FIRE operational needs. When hired unstaffed, local government fire apparatus is considered to be a State resource. Apparatus will not be limited to the original locality of hire and will be available for statewide response as needed.

When hired unstaffed, the State furnishes fuel, oil and lube at no cost to the local government agency. Mechanic services and/or parts are chargeable back to the local government agency when routine wear and tear repairs are necessary. In the event of accident or mechanical breakdown to the apparatus, CAL FIRE will repair apparatus to condition at initial time of hire. Engines hired unstaffed should be equipped with Self Contained Breathing Apparatus (SCBA) of the current CAL FIRE specification prior to being placed in service. Utilizing the SCBA under the current CAL FIRE specification will allow for CAL FIRE personnel to maintain compliance under Federal OSHA 29CFR1910.134.

### **Staffed**

When apparatus is hired staffed, the apparatus with personnel is hired to assist CAL FIRE based on operational need. The crew must be trained as outlined in the training section of this policy and adhere to CAL FIRE staffing levels required for response at all times. As with apparatus hired unstaffed, local government fire apparatus and personnel hired staffed is considered to be a State resource. Apparatus and personnel will not be limited to the original locality of hire and will be available for statewide response as needed. Engines will be staffed 3.0 or 4.0. Water Tenders will be staffed 1.0 or 2.0. At no time, will CAL FIRE pay for 2 operators to staff the Water Tender at the same time. One operator should be off shift resting away from the Water Tender.

When hired staffed, the local government agency providing ABH retains responsibility for fuel, oil and lube until such time as this agreement is replaced by another, such as the CFAA and/or the resource continues to be committed into the second operational period.

Mechanic services and/or parts are chargeable back to the local government agency if and when routine wear and tear repairs are necessary.

On apparatus hired staffed, personnel shall have all mandated wildland and structural personal protective clothing (PPE) while under hire. A second set of wildland clothing (PPE) is recommended.

### **Consumables & Damaged and/or Destroyed Supplies**

If local government owned supplies are damaged and/or destroyed through no fault of local government and verified by a CAL FIRE line supervisor, CAL FIRE may replace it with like kind. Consumables, such as highway flares, rations, drinking water, batteries, fuel, fuel mix, lubricants and firefighting foam utilized under CAL FIRE direction will be replaced by CAL FIRE.

All items consumed, damaged and/or destroyed under hire shall be documented on appropriate forms to be approved by an authorized CAL FIRE representative. These forms include the

Incident Replacement Requisition (FC-315) and Property Certification of Location or Damage (CAL FIRE-101). See attached Sample Replacement Forms package.

CAL FIRE shall be notified of any used consumables and/or damaged and/or destroyed equipment and local government agencies hired under this agreement must obtain an approved FC-315 signed by the IC or appropriate designee prior to release from the incident.

Local government agencies providing ABH and claiming replacement of incident consumables and/or damaged and/or destroyed equipment have no more than twenty calendar (20) days from the date of the incident to provide all required and appropriately completed and signed documentation to the MMU Service Center to effect replacement.

\*\*\* Fuel, refer to page 4 Staffed second paragraph\*\*\*

### **Communications**

It is the responsibility of the local government agency providing ABH to ensure the apparatus has adequate communications capability. Personnel and apparatus, which cannot adequately and effectively communicate with other resources on the incident will be released and not paid. All radios will be Narrow band capable & programmable with current CAL FIRE radio frequency load; CAL FIRE ECC can assist if needed.

### **MMU Local Government ABH Personnel Standards**

#### **Training**

Agencies providing ABH under this agreement shall ensure all personnel be qualified for their respective position including the appropriate level per Wildland Fire Qualification NWCG 310-1 Sub System Guide or the California Incident Command Certification System (CICCS). All apparatus driver/operators shall have the appropriate driver's license for the apparatus being operated.

It will be the responsibility of the local government agency providing ABH to maintain all records of the above required training, certification and/or licensing and provide copies of certifications and training upon request.

#### **Respiratory Protection Standards**

All local government personnel providing ABH shall fully meet CAL OSHA Title 8 Section 5144. Additionally, all local government personnel providing ABH shall be fully compliant with the Federal OSHA 29CFR1910.134 Respiratory Protection (fit test) Standard within the past year.

#### **Local Government Personnel Feeding**

Local government agency personnel providing ABH assigned to a "going" incident shall be provided meals by CAL FIRE at no cost to local government personnel.

Local government personnel on apparatus under hire assigned to station coverage of a MMU CAL FIRE station may obtain meals at the CAL FIRE facility being covered at no cost to the local government personnel. These meals shall be documented on the CAL FIRE "Fireline Meal Sheet" available at the station being covered with names, dates and incident numbers as

required.

Restaurant feeding for local government resources providing ABH under this agreement shall only be authorized by either the Incident Commander if assigned to an incident or the MMU Duty Chief (or designee) if assigned to station coverage.

### **MMU Local Government ABH Apparatus Staffing Standards**

#### **Engine Staffing Levels**

Fire engine staffing in this agreement shall meet the minimum standards as follows:

Type I engines shall have a minimum of (3) person staffing to include one (1) Company Officer/Engine Boss and two (2) Firefighters.

Type II engines shall have three (3) person staffing to include one (1) Company Officer/Engine Boss and two (2) Firefighters.

Type III Engines shall have three (3) person staffing to include one (1) Company Officer/Engine Boss and two (2) Firefighters.

Type VI Engines shall have two (2) person staffing to include one (1) Company Officer/Engine Boss and one (1) Firefighters.

There will be only one (1) Company Officer/Engine Boss compensated per apparatus, regardless of their rank in local government department.

#### **Water Tender Staffing Levels**

Staffing for initial attack water tenders shall typically be one (1) Apparatus Operator. Twelve (12) hour "planned need" staffing shall typically be one (1) Apparatus Operator per twelve (12) hour operational shift. In addition to the Apparatus Operator, water tender staffing for both initial attack and "planned need" can include one (1) Firefighter.

For extended operations exceeding sixteen (16) hours and/or planned need twenty-four (24) hour operational shift assignments, a Relief Operator and Firefighter are required.

#### **Logistical Support Personnel**

Staffing shall be one (1) Firefighter with a shift not to exceed sixteen (16) hours. For extended operations exceeding sixteen (16) hours, a Relief Firefighter is required.

Trained firefighters with full PPE will be required due to potential for line assignments. Duties may include, but not be limited to, fireline delivery of food, drinks, ice and supplies.

**Madera-Mariposa-Merced Unit  
2020 Local Government Assistance by Hire Agreement**

The 2020 Madera-Mariposa-Merced Unit Local Government Assistance by Hire Agreement with attachments has been approved and authorized by the individuals found on the accompanying signatory page. See attached.
