

TITLE: Contact Tracing Complete for Mariposa County COVID-19 Case Reported October 29, 2020.

Mariposa County Health and Human Services Public Health Branch in coordination with Mariposa County Unified School District has completed contact tracing for the case reported at Mariposa County High School yesterday October 29, 2020.

Mariposa County Health and Human Services asks if you are a parent or guardian with questions or concerns please reach out to our team by calling 209-259-1332 or emailing Mariposacovid19@gmail.com.

This is a good reminder to us all that we are not isolated in Mariposa County and we must continue to stay vigilant to stop the spread of COVID-19. We all must continue to wash our hands, wear our masks, and watch our distance. It is also very important to stay home when you are sick and to avoid those who are sick.
