Debbie,

The sign we spoke about will be used for Fire Prevention purposes. Depending on the season the sign's message will also change.

This time of year we are pushing 100' clearance of weeds and brush. During the winter it will change to fire place safety or changing of the smoke detectors.

One change since the last time we talked. I am wanting to change the location from Bear Valley Rd x Exchequer Rd to Bear Valley Rd. x Hunters Valley Rd. Just for better visibility and more population base.

Thanks
