RECOMMENDED ACTION AND JUSTIFICATION:

Res. 11-409

Adopt a Resolution Authorizing the Submission of the Functional Classification Road Change Request Form and Attachments, and Approval of the Requested Road Reclassifications.

Due to the high Average Daily Traffic (ADT) counts on Coakley Circle, Jessie Street, and Cole Road. Staff recommends the reclassification of each road from local rural roads to major collectors due to high Average Daily Traffic (ADT) counts and the connectivity each provides to other major collectors and highways. These reclassification changes will also allow the County to receive Federal funding for improvements.
