**RECOMMENDED ACTION AND JUSTIFICATION:**

Accept the bids for excess fire engines and water tenders and award bids to the highest bidder. Require the bidder to decommission the equipment before the equipment leaves the County's possession.

**BACKGROUND AND HISTORY OF BOARD ACTIONS:**

On October 6, 2009 the Board concurred with advertising the equipment recommended for salvage locally first with a minimum price to cover all costs for decommissioning the equipment, any offers by potential purchasers will come back to the Board, and the rest of the equipment identified for salvage will be sent to the scrap yard.

**ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:**

Keeping the old engines would require finding additional storage space for them.
