RECOMMENDED ACTION AND JUSTIFICATION:

Adopt a resolution approving the road name "Sebastopol Road" for a current section of roadway. The section in question is an extension of "Sebastopol Road" and has been known as "Sebastopol Road" although this private roadway has never been formally recognized with the name. The naming of the roadway is one of the requirements for Land Division #2009-098. As required, the majority of property owners served by the road have signed off on this request.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board adopted Resolution No. 92-541 in 1992 establishing criteria for naming non-County roads. In accordance with this resolution, road names are to be developed around some historical, botanical, zoological or geological significance as they directly relate to Mariposa County. All property owners served by the road must be notified. If it is shown that a majority of the property owners served by a road cannot reach an agreement on a proposed name, then a property owner served by the road may request that the Board of Supervisors name the road.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

The need for a road name is a condition of approval for Land Division #2009-098; recording of the parcel/final map would be delayed until the road name is resolved.
