RECOMMENDED ACTION AND JUSTIFICATION:

Authorize the director of Public Works to purchase a hydro sewer cleaning machine and a video inspection system for \$15,000 total from the Yosemite West Wastewater Facility Upgrades Project #PW93-09. The Facilities Division of Public Works is routinely renting this type of equipment for maintenance of sewer lines, checking infiltration problems and for emergency backups. It would be more effective and efficient to own a machine that would serve the purpose.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

March 2004, Board authorized Public Works to re-bid the project.

July 2004, Board authorized Public Works to award the contract for construction to Mauldin-Dorfmeier.

July 2004, Board authorized Public Works to enter into an easement agreement with Yosemite Highlands Inc.

December 2004, Board authorized the purchase of a snow-cat.

April 2006, Board accepted the project as complete.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

The Facilities Division will continue to rent similar equipment with operators.
