RECOMMENDED ACTION AND JUSTIFICATION:

Recommend resolution authorizing Chair to sign Public Health Preparedness (Bio-Terrorism) Funding Grant Agreement for Fiscal Year 2005-2006, Certificate regarding Lobbying, and Certificate Against Supplanting, and similar certificates pertinent to Fiscal Year 2005-2006.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

These documents are required by the State and Federal Governments and have been previously submitted and approved for prior years' grant activity. This document only addresses funding for current year. Rollover funding will be addressed in a separate Board Action once the State and Federal Governments approve the County's request.

As always, the Health Officer has implemented the program such that it will maximally benefit citizens doing day-to-day operations, not just extreme or unusual circumstances.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

The budgeted program will either need County General Funds or will not be funded. Staff will be lost. Progress made with enhanced Public Health preparedness (for such emergencies as shortage of vaccines or hazardous material spills) will be lost.
