

MARIPOSA COUNTY

Human Services/Behavioral Health & Recovery Services

RESOLUTION - ACTION REQUESTED 2014-326

MEETING: July 8, 2014

TO: The Board of Supervisors

FROM: Chevon Kothari, Human Services Director

RE: First Amendment to Contract with Behavioral Health Care Sierra Vista Hospital Inc.

RECOMMENDATION AND JUSTIFICATION:

Approve the First Amendment to the Behavioral Health Care Sierra Vista Hospital Inc. Agreement to Provide Psychiatric Inpatient Services for Mariposa County Behavioral Health Increasing the Not to Exceed Amount by \$12,000, and Authorize the Board of Supervisors Chair to Sign the Amendment.

The current Behavioral Health Care Sierra Vista Hospital Inc. Agreement has a contract term running from July 1, 2013 to June 30, 2014 with a not to exceed amount of \$10,000. This Amendment will increase the amount of the original contract by \$12,000 for a total not to exceed amount of \$22,000.

To continue providing psychiatric inpatient services to Mariposa County Behavioral Health clients, it is necessary to increase the contract amount by \$12,000 to in order meet ongoing clients' needs.

MENTAL HEALTH ADVISORY BOARD REVIEW:

On recurring contract renewals the Mental Health Advisory Board has set direction that such contracts will be available for review by the Mental Health Advisory Board members and do not require review unless there are changes in the provisions of the contract prior to coming to the Board of Supervisors. This contract meets that criteria and is submitted to the Board of supervisors for a positive action.

Funding Source: This item is funded in the Mental Health budget using Mental Health Realignment funds. There is sufficient funding available for this increase.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The existing Agreement was approved by the County Administrative Officer on October 22, 2013.

ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

If this Amendment is not approved, Behavioral Health will have to find alternative placement for

current and future clients.

FINANCIAL IMPACT:

This item is funded in the Mental Health budget with Mental Health Realignment funds. Previous budget actions have sufficiently funded the Inpatient Hospital line item. There is no impact to the Mental Health Services Act corrective action plan or the County General Fund.
