

RECOMMENDED ACTION AND JUSTIFICATION:

(Policy Item: Yes No)

Consider a request from Mariposa Middle School for financial support for a federally funded "Century 21 After School Grant" in the amount of \$2,500; and authorize the County Administrative Officer to sign the Memorandum of Understanding. The grant application requires a \$50,000 match from the community. The grant funds would be used to continue an after school program and late bussing.

The Sheriff's Department is providing an in-kind contribution of a Deputy to provide security at the school parking lot during winter months, and the time of the Drug Abuse Resistance Education (DARE) Deputy spends at the Middle School will also apply toward the community match requirement. In addition, the school requests a cash contribution of \$2,500 to further demonstrate local community support of the program. Local support is necessary to indicate that should the federal grant dollars cease to be available that the program would be able to continue. The school provides an in-kind contribution of use of the facility, staff, and transportation.

In addition to providing an after-school activities, the Middle School is also planning on expanding the program to include parent and senior classes to make the program beneficial to the entire community.

If the Board approves a contribution and the school is awarded the grant, the payment would not be made until September (next fiscal year). The contribution would be included in the Fiscal Year 2001-02 budget.

BACKGROUND AND HISTORY OF BOARD ACTIONS:

The Board adopted Resolution 99-72 approving a financial contribution of \$2,500 to the Mariposa Middle School for the California State grant "After School Learning and Safe Neighborhoods Partnerships." The Middle School was awarded the grant and it allowed them to establish the Los Robles Academy that serves students Monday through Friday from 3:30 PM to 6:00 PM. The after school program has allowed students to improve their academic achievement and to be engaged in meaningful recreational activities. The contribution was included and approved in the Fiscal Year 1999-2000 budget.

LIST ALTERNATIVES AND CONSEQUENCES OF NEGATIVE ACTION:

Do not give financial support to Mariposa Middle School's federal grant application. If the community does not provide the matching funds, then the grant application may not be successful and the after school program and late bussing will be discontinued.

MARIPOSA COUNTY BOARD OF SUPERVISORS

MINUTE ORDER

TO: GREG ITURRIA, County Administrative Officer
FROM: MARGIE WILLIAMS, Clerk of the Board 
SUBJECT: Mariposa Middle School Request for Financial Support for "Century 21 After School Grant"

THE BOARD OF SUPERVISORS OF MARIPOSA COUNTY, CALIFORNIA,

ADOPTED THIS Order on April 10, 2001

ACTION AND VOTE:

Consider a Request from Mariposa Middle School for Financial Support for a Federally Funded "Century 21 After School Grant" in the Amount of \$2,500; and Authorize the County Administrative Officer to Sign the Memorandum of Understanding (County Administrative Officer)

BOARD ACTION: Discussion was held regarding the history of this commitment and if this was an on-going commitment. Greg Iturria, County Administrative Officer stated that this was done 2 years ago but not last year because the school did not receive Federal funding. He also noted that this is an on-going commitment unless 30 days notice is given by the County that they are not going to participate. The Board felt this was a very worthy project but was concerned on tracking this. Jeff Green, County Counsel suggested an amendment to the Memorandum of Understanding, under the terms section B, to include Mariposa County in the annual review and to have this calendered through the County Counsel office. (M) Pickard, (S) Reilly, Res. 01-102 adopted, approving request, with County Counsel's suggested amendment/Ayes: Unanimous.
