MARIPOSA COUNTY BOARD OF SUPERVISORS

MINUTE ORDER

TO: JIM PETROPULOS, Public Works Director

FROM: MARGIE WILLIAMS, Clerk of the Board 

SUBJECT: Drilling of Monitoring Well on County Property at the Road Yard on Ben Hur Rd.
Res. -01-241

THE BOARD OF SUPERVISORS OF MARIPOSA COUNTY, CALIFORNIA,

ADOPTED THIS Order on August 21, 2001

ACTION AND VOTE:

Jim Petropulos, Public Works Director, advised of an off-agenda request to approve drilling of a monitoring well on County property at the road yard on Ben Hur Road. He advised that this is part of the ongoing investigation by the State, and Bartlett Petroleum has been ordered to drill additional monitoring wells to determine the source of contamination of MTBE (gasoline additive). He advised that they were notified of this matter on Monday and drilling is scheduled to occur next Tuesday. Jeff Green, County Counsel, advised of information he received from Dr. Mosher relative to processing the application for this project - if the drilling is rescheduled, it could delay the project by a month. (M)Parker, (S)Reilly, Board waived rules requiring 72 hours agenda noticing to consider this matter, finding it was not known about at the time the agenda was prepared and it is a matter of timeliness based on the explanations given/Ayes: Reilly, Stewart, Parker, Pickard; Excused: Balmain. (M)Parker, (S)Reilly, Res. 01-241 adopted approving the request to drill the monitoring well on County property. Further discussion was held. Ayes: Reilly, Stewart, Parker, Pickard; Excused: Balmain.
