MARIPOSA COUNTY HEALTH DEPARTMENT

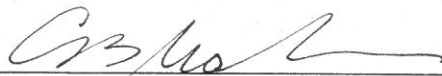

APPEALS OF HEALTH DEPARTMENT INSPECTOR'S DETERMINATIONS

POLICY 13-17
(Supersedes Policy 92-3)

Any citizen, owner, contractor, or operator who feels that an inspection by a Health Department Inspector was, for any reason, unfair may appeal in the following manner:

1. He should appeal directly to the inspector who made the inspection, optimally at the time of the inspection itself.
2. If not satisfied at that level, he may direct his appeal to the Environmental Health Director, Health Officer or Department Head.
3. If unsatisfied with his appeal to the Health Officer, he may appeal to the Board of Supervisors.

If a finding by an Inspector mandates immediate or prompt rectification of the issue about which there is a disagreement, it is the responsibility of the party wishing to appeal to do so promptly, certainly within the period of time noted by the Inspector for rectification of the problem.
