5) CUHW Representative – Union Status Update

Marsha states they will be returning to on the 21st to Sacramento to finish the march across California for “California’s Future”. Teachers, fireman etc have been walking for 48 days. After the rally they will be having a reception at their new office.

Financially Marsha can’t come to Mariposa for a couple of days; there is no money for this expense. Mariposa is the only county that must do a secret ballot election due to the size of the membership. Persons interested in a chair position must write up to 500 word essay about themselves and why they should be elected. The website is under construction, www.cuhw.org. The budget was rejected and there was they discussed eliminating the program.
