Discussion was held concerning requests received from the Auditor/Recorder and Treasurer/Tax Collector-Data Processing Coordinator relative to salary adjustments for FY 1989-90. Supervisor Taber advised that she did not support the salary increases for other elected officials, but does not feel that it is fair that raises have not been given to these two positions since raises were given to other positions. Discussion was held concerning consideration of separating the Treasurer/Tax Collector function and the Data Processing function and time spent on each. On motion of Radanovich, seconded by Taber (who passed the gavel), Res. No. 89-435 passed and adopted amending Salary Resolution No. 89-394 by transferring the previous increase of \$1104 from the Data Processing Coordinator function to the Treasurer/Tax Collector; and requesting that Don Phillips continue his work as Data Processing Coordinator until the new data processing program is worked out. On motion of Baggett, seconded by Radanovich, Res. No. 89-436 passed and adopted amending Salary Resolution No. 89-435 by increasing the salary of the Auditor/Recorder by \$1800. Ayes: Unanimous.
