

NOTICE OF CURRENT PROPERTY TAXES DUE

SECOND INSTALLMENTS are now due; and if not paid by 5 p.m. April 10, 2018, a 10% penalty PLUS a \$20.00 cost will be added to each assessment.

FIRST INSTALLMENTS were delinquent as of December 12, 2017 and must now be paid with a 10% penalty. It is necessary to pay the first installment before the second installment can be paid.

TAX BILLS WERE MAILED last October to all property owners whose addresses were known to the Tax Collector. If you did not receive a tax bill, you must contact the County Tax Collector's office at (209) 966-2621, Hall of Records, 10th and Bullion Streets, P.O. Box 247, Mariposa CA 95338.

DO NOT CONFUSE YOUR PROPERTY TAXES WITH ANY INCOME TAX. Property taxes become delinquent after April 10, 2018. You may also receive a tax bill in addition to the one you received last October. This new bill is called a "**SUPPLEMENTAL TAX**" in accordance with Senate Bill 813. Supplemental tax bills may have different due dates on them. Please check your records and call the Tax Collector if in doubt.
