Summer Recreation Day Camp Scholarship Guidelines

Thanks to organizations in our community we have established a scholarship program for our Summer Recreation Day Camp. This scholarship program provides financial assistance to children who want to attend Day Camp and their parents who cannot afford to send them.

Please complete the attached application. Failure to complete the application fully and accurately could result in rejection from the scholarship program.

- Applications must be received by the Parks and Recreation Office no later than April 26, 2019.
-
- To be eligible for a scholarship the child must be between the ages of 7 and 12 and must be a Mariposa County Resident.
-
- Scholarships will be awarded base on financial needs and as long as funds are available.
- Full and partial scholarships may be awarded.
- Scholarships do not include separate fees for special events and field trips.
- Specific days of each week that the child will attend must be submitted to the Parks and Recreation Office at the time of registration. Any days that the child is not pre-registered for will have to be paid for if they are to attend and if space is available. If a child misses more than 3 scheduled days without notifying the Parks and Recreation Office their scholarship may be revoked.

The Resource Connection prohibits discrimination in all its programs and activities on the basis of race, color, national origin, sex, religion, age, disability, political beliefs, sexual orientation and marital or family status. These services are supported in part by the Community Services Block Grant funds through the Calaveras-Mariposa Community Action Agency.
