Existing utensil washing equipment (sinks, dishwashing machines) may be continued in use until replace, however, utensil sanitization must be accomplished in accordance with the Health and Safety Code.

II. SEWAGE DISPOSAL

Applicant must demonstrate that the sewage disposal system can adequately serve the propose project by:

- A. Having the septic tank pumped by a septic tank pumper holding a valid Mariposa County Septic Pumpers Permit, and certified to be in good working condition at the time of pumping. Verification of adequacy of sewage system for maximum flows may be required;

Or
