

PRESS RELEASE

Mariposa County Health and Human Service- Public Health
5300 Hwy 49 N. PO Box 5, Mariposa CA 95338 • (209) 259-1332

FOR IMMEDIATE RELEASE: June 15, 2020

TITLE: Confirmed Case of COVID-19

Mariposa County Health and Human Services Public Health Branch reports an additional positive COVID-19 case in a Mariposa County resident. The resident is a 22 year old male who is employed outside of the county, where it is suspected he acquired COVID-19 as part of a workplace cluster. Based on this workplace cluster he was directed to get tested and was in quarantine prior to developing any symptoms. At this time, he remains in isolation and will be monitored on a daily basis. The Contact Tracing team has found that due to his self-quarantine, there are no known contacts. Additional information will be released as details become available. At this time, there is no evidence of community transmission inside Mariposa County, however, we remind everyone of the importance of staying vigilant. We remind everyone to practice good hand hygiene, stay home if you are sick, practice social distancing, wear a mask when social distancing is not possible, cover your coughs and sneezes, and avoid touching your face.
