(a) To extend the period of licensure, the licensee shall:

(1) Pay all:

(A) Licensing fees assessed in accordance with Section 9822;

(B) Fines assessed in accordance with Section 11837.5 of the Health and Safety Code and adjudicated in accordance with Section 9836,

(b) At least 120 days prior to the expiration date noted on the license, the Department shall send a notice to the licensee which shall:

(1) Inform the licensee of the date when the current period of licensure will expire as specified on the license;

(2) Inform the licensee that the period of licensure will be extended if, by the date specified on the notice, the licensee complies with subdivision (a) of this regulation; and

(3) Notify the licensee that failure to comply with the requirements of Subsection (a) of this regulation, as stated in the notice, will result in automatic expiration of the license, and that continued operation of the DUI program beyond the date of expiration is prohibited by Section 11836.10 of the Health and Safety Code and Section 9802 of this Chapter.

(c) If the licensee complies with the requirements of subdivision (a) of this regulation as stated in the notice, the Department shall automatically extend the period of licensure, unless the Department has enjoined operation of the DUI program in accordance with Section 9829.

(d) If the licensee fails to comply with the requirements of subdivision (a) of this regulation as stated in the notice, the Department shall not extend the period of licensure and the license shall automatically expire as of the date specified on the license.

(e) Failure to update the information contained in the application for licensure and pay licensing fees, fines, and/or civil penalties by the date the period of licensure expires shall be deemed to be a voluntary deactivation of the license.

(f) In the event that the licensee voluntarily deactivates the license, in order to reactivate the license the licensee shall:

(1) Submit an application for extension of licensure (in accordance with subdivision (a)(2) of this regulation) directly to the Department;

(3) Pay any outstanding county administration and monitoring fees due and payable in accordance with Section 9878(n).

(g) Failure to reactivate a license within 90 days of the date the period of licensure expired shall be deemed to be a voluntary relinquishment of the license. In the event that the licensee voluntarily relinquishes the license, in order to reapply for licensure, the licensee shall:

(1) Submit a new application for licensure, through the county alcohol and drug program administrator, in accordance with Article 2 (commencing with Section 9804) of this chapter, and

§ 9822. DUI Program Licensing Fees.

(a) The Department may assess an annual licensing fee to cover the projected cost of licensing DUI programs.

(b) The Department shall determine the license fee annually, no later than April 30 of each year, in an amount sufficient to cover the projected costs of administering the licensure of DUI programs for the forthcoming fiscal year commencing on the first day of July and concluding on the last day of June. The license fee shall be an amount for each participant's initial enrollment, determined by dividing the projected costs by the number of participant enrollments and rounding up to the next dollar. Projected costs (including expenditures and encumbrances) and participant enrollments used in the calculation shall be the total actual costs and enrollments, respectively, for the most recent 12-month period for which both sets of data are available. For example, if projected costs were anticipated to be \$1,612,593 and the total number of participants were 130,992 the license fee per participant would be \$12.31 rounded up to \$13.

(c) No later than April 30 of each year, the department shall give written notice to DUI program licensees of the license fee for the forthcoming fiscal year and the manner in which it was calculated, including data used in making the calculation. Notification need not be issued if the fee does not change from the current fiscal year.

(d) The license fee shall be a set amount assessed for each participant's initial enrollment. The total amount of fees owed to the Department by a DUI program shall be determined by multiplying the total number of new enrollments for the applicable quarter in the licensed DUI program by the amount of the license fee per enrollee. For example, if the licensee enrolled 100 participants during the quarter and the license fee is \$13 per enrollment, the amount of the total fee would be \$1,300.

(e) Failure to submit quarterly enrollment reports and pay quarterly license fees by the 30th day following the close of each quarter (i.e. September 30th, December 31st, March 31st, and June 30th) shall result in the issuance of a notice of deficiency in accordance with Section 9824. For example, if the first quarter fees are not paid by October 30, a notice of deficiency will be sent to the DUI program.

§ 9823. Types of Compliance Deficiencies.

(a) As used in this chapter, “deficiency” means failure by a driving-under-the-influence program to comply with any provision of Chapter 9 (commencing with Section 11836), Part 2, Division 10.5 of the Health and Safety Code or the requirements contained in this Chapter. Deficiencies shall be classed as Class A, B, or C deficiencies, as defined in this section.

(b) A Class A deficiency is any deficiency which presents an imminent danger of death or severe harm to any participant of the program or a member of the general public. As used in this chapter, “imminent danger of death or severe harm” means that the more likely consequence of the deficiency is death or physical injury, which would:

(1) Render a part of the body functionally useless or temporarily or permanently reduced in capacity, or

(2) Inhibit any function of the body to such a degree as to shorten life or to reduce physical or mental capacity.

(c) A Class B deficiency is any deficiency relating to the operation or maintenance of the program which has a direct or immediate relationship to the physical health, mental health, or safety of the program participants or the general public.

(d) A Class C deficiency is a deficiency relating to the operation or maintenance of the program which has only a minimal relationship to the health or safety of program participants or the general public.

Note: Authority cited: Sections 11755 and 11836.15, Health and Safety Code. Reference: Sections 11836.12, 11836.15 and 11837.7, Health and Safety Code.

§ 9823.1. Investigation of Complaints.

(a) Any person may request an investigation of a DUI program by contacting the Department in person, by telephone, in writing, or by any other automated or electronic means, in order to determine compliance with the provisions of Chapter 9 (commencing with Section 11836), Part 2, Division 10.5 of the Health and Safety Code and the requirements of this Chapter.

(b) Within ten (10) working days of receipt of a complaint the Department shall initiate an investigation of the alleged violation(s).

(c) The Department shall not disclose the identity of the complainant unless the Department has first determined that the complaint cannot be resolved without such disclosure because the complaint involves services provided to the complainant.

(d) The complaint investigator may conduct a site investigation of the program with or without advance notice, at any time the facility is open for business, upon presentation of proper identification, in order to determine compliance with the provisions of this Chapter.

(e) The Department may interview participants and/or program staff in private and may inspect program records relevant to the complaint without the consent of the licensee.

(f) The complaint investigation shall be considered complete when all facts relevant to the complaint have been reviewed and the Department has made a determination regarding the complaint.

(g) If the complaint investigation discloses compliance deficiencies the complaint investigator shall prepare a written notice of deficiency, listing all deficiencies. The complaint investigator shall issue a written notice of deficiency to the licensee or his/her designee:

(1) In person before leaving the facility, or

(2) By mail, postmarked within ten (10) working days after completion of the site investigation.

(h) The notice of deficiency shall comply with the provisions of Section 9824(b).

(i) The notice of deficiency shall require the licensee to correct deficiencies as specified in Section 9824.

(j) If the licensee or his/her designee refuses to accept receipt of a written notice of deficiency, the date of the notice shall constitute the date of receipt.

(k) If requested by the complainant, the Department shall notify the complainant in writing of the results of its investigation.

Note: Authority cited: Sections 11755, 11836 and 11836.15, Health and Safety Code. Reference: Sections 11836.15, 11837.7 and 11838.4, Health and Safety Code.

§ 9824. Issuance of Notice of Deficiency.

(a) The Department shall prepare a written notice of deficiency when the Department determines that a licensee is not in compliance with the provisions of Chapter 9 (commencing with Section 11836), Part 2, Division 10.5 of the Health and Safety Code or the requirements of this Chapter.

(1) The Department's determination shall be based on completion of an on-site compliance review conducted by the Department. If the licensee has failed to fully and timely submit a fee, and there are no other deficiencies, the Department may make its determination on a review of the licensee's payment record on file with the Department, in lieu of an on-site compliance review.

(2) No notice of deficiency shall be issued for Class C deficiencies which the licensee corrects prior to completion of the compliance review.

(b) The notice of deficiency shall specify:

(1) The section number, title, and code of each statute or regulation which the licensee has violated;

(2) The manner in which the licensee failed to comply with the specified statute or regulation;

(3) The date by which the licensee shall submit a corrective action plan for correcting each deficiency; and

(4) The amount of civil penalty to be assessed in accordance with Section 9827 and the date the Department shall begin to assess the penalty, if the licensee fails to correct the noticed deficiencies in accordance with this regulation and the corrective action plan specified in Section 9825.

(c) The Department shall provide the written notice of deficiency to the licensee or program director:

(1) In person before leaving the program site.

(2) By first class mail, within ten working days following the completion of the on-site compliance review, or a review of the licensee's payment records on file with the Department.

(d) Within ten working days following the issuance of the notice of deficiency, the Department shall provide a copy of the notice of deficiency to the county alcohol program administrator of the county in which the program is located.

(e) If any Class A deficiencies have been cited, the Department shall provide the written notice of deficiency to the licensee or program director before leaving the program site.

(f) The notice of deficiency shall require the licensee to correct deficiencies as specified below:

(1) The licensee shall abate or eliminate all Class A deficiencies immediately upon receipt of the notice of deficiency.

(2) The licensee shall correct all Class B deficiencies within 30 days of receipt of the notice of deficiency, unless the Department determines, based on the on-site compliance review, that the deficiency is sufficiently serious to require correction within a shorter period of time. In that event, the Department shall explain in the notice how the deficiency jeopardizes the health or safety of program participants or the general public.

(3) The licensee shall correct all Class C deficiencies within 30 days of receipt of the notice of deficiency, unless the Department determines that the deficiency cannot be completely corrected within 30 days. In that event, the Department shall specify in the notice of deficiency the time in which the deficiency shall be corrected and the reason why it cannot be corrected within 30 days.

(g) If the licensee, program director, or designee refuses to accept receipt of the written notice of deficiency, the date of the written notice shall constitute the date of receipt.

(2) Substantiate that the deficiency has been corrected as specified in the notice of deficiency; and

(3) Specify when the deficiency was corrected.

(c) If the licensee cannot correct a Class B or C deficiency by the date specified in the notice of deficiency, the written corrective action plan shall:

(1) Specify what steps the licensee has taken to correct the deficiency;

(3) Specify when the deficiency will be corrected.

(d) Within ten working days of receipt by the Department of the corrective action plan, the Department shall notify the licensee, in writing by first class mail, whether the corrective action plan has been approved or denied based on a review of the corrective action plan and documentation submitted with the corrective action plan.

§ 9827. Assessment of Civil Penalties for Failure to Correct Compliance Deficiencies.

(a) If the licensee does not submit a corrective action plan in accordance with Section 9825 by the date specified in the notice of deficiency, the Department shall assess a civil penalty which shall accrue from the day after the date specified in the notice of deficiency until the licensee submits a corrective action plan. The date of submission by the licensee shall be the date the written corrective action plan is postmarked.

(b) The Department shall assess civil penalties in the amounts indicated below:

(1) The Department shall assess a civil penalty of \$25 per day against the licensee for each Class C deficiency, as defined in Section 9823.

(2) The Department shall assess a civil penalty of \$50 per day against the licensee for each Class A or B deficiency, as defined in Section 9823.

(3) The maximum daily civil penalty for all deficiencies shall not exceed \$150.

(c) If the Department assesses a civil penalty, the Department shall provide to the licensee a written notice of civil penalty, which shall specify:

(1) The amount of the civil penalty,

(2) The date upon which the civil penalty shall begin,

(3) The date payment is due,

(4) The address to which the payment is to be mailed or delivered, and

(5) The licensee's right to administrative review in accordance with Section 9830.

(1) If the Department does not receive an amended corrective plan by the 30th day, the Department shall assess a civil penalty which shall accrue from the date specified on the notice of denial until the Department receives an amended corrective action plan.

(2) When the Department receives the amended corrective action plan, Department staff shall review the plan within ten working days and provide a notice of approval or denial to the licensee.

(3) If the Department does not approve the amended corrective action plan, Department staff shall provide a final notice of denial to the licensee. The civil penalty shall accrue from the date specified on the final notice of denial and shall continue until the Department receives and approves written notification from the licensee that the deficiency is corrected.

(f) If a follow-up compliance review determines that the licensee failed to correct the deficiency, the civil penalty shall accrue from the date of the initial notice of deficiency and shall continue until the Department receives and approves written notification, subsequent to the follow-up compliance review, from the licensee that the deficiency is corrected.

(g) The Department shall assess a civil penalty against the licensee of \$150 if the licensee repeats the same violation within a 12-month period. The Department shall also assess a penalty of \$50 for each day from the date specified in the notice of deficiency until the Department receives and approves written notification from the licensee that the deficiency is corrected.

(b) If a program is alleged to be operating without a license, the Department shall conduct an investigation to substantiate the allegation.

(c) If the Department determines, as the result of its investigation, that the program is operating without a license, the Department shall deliver to the operator of the program, in person or by certified mail, a notice which shall notify the operator of the program that the program is operating without a license, in violation of Section 11836.10 of the Health and Safety Code and Section 9802 of this Chapter.

(2) Enjoin operation of the unlicensed program in the superior court in and for the county in which the violation occurred. Any such action shall conform to the requirements of Chapter 3 (commencing with Section 525), Title 7, Part 2 of the Code of Civil Procedures, except that the Director shall not be required to allege facts necessary to show or tending to show lack of adequate remedy at law or irreparable damage or loss.

(e) All civil penalties assessed in accordance with this regulation and adjudicated in accordance with Section 9836 shall be due and payable upon receipt of a notice of payment issued by the Department, and shall be paid by certified check or money order made payable to the Department of Alcohol and Drug Programs.

(a) Applicants for licensure and licensees may appeal a notice of licensing actions by forwarding a written request for review to the Director, Department of Alcohol and Drug Programs, 1700 K Street, Sacramento, CA 95811. As used in this regulation, "licensing action" means denial of an application, denial of a request for renewal of licensure, denial of a request to open a satellite location, assessment of a civil penalty, or suspension or revocation of licensure.

(e) Failure to schedule the informal conference within 15 working days or hold the informal conference within 45 working days of the receipt of the request shall be deemed a withdrawal of the licensing action by the Department unless the licensee:

(1) Fails to attend the conference as scheduled, in which case the appeal shall be considered withdrawn and the action shall be deemed final;

(3) Waives informal conference.

(f) The licensee shall have the following rights at the informal conference:

(1) The right to be represented by legal counsel.

The county shall require the licensee to allow the participant to complete an alternate activity from the list of activities shown in Subsections (b)(2) through (7) of this regulation.

(e) The county shall not mandate any additional county requirements not listed in Subsection (b) of this regulation.

(5) When the Department has approved additional county requirements pursuant to this regulation, the licensee shall amend the participant contract to include the additional county requirements, prorated over the balance of time the participant is enrolled in the program.

(6) If the participant notifies the licensee that he/she voluntarily chooses to complete additional county requirements mandated prior to the effective date of this regulation which are inconsistent with this regulation or exceed the additional county requirements approved in accordance with this regulation, the licensee may allow the participant to do so. (B) The DUI program shall offer to call a friend or relative of the participant or a taxi cab (at the participant's expense) to drive the participant home.

(f) The DUI program shall document in the participant's record how the DUI program determined that the participant was under the influence of alcohol or drugs, including staff observations of the indicators listed in (c)(2) and (d)(2) of this regulation.

(g) Except as specified in (h) of this regulation, the DUI program shall dismiss the participant pursuant to Section 9886 if the DUI program determines that the participant has used alcohol or illicit drugs based on the criteria contained in (c) and (d) of this regulation.

(h) The DUI program shall not dismiss a participant from the program for using medication prescribed by a licensed physician and used in accordance with the prescription unless the participant is unable to participate in program services due to the effects of the medication (e.g. falling asleep, unable to pay attention, etc.).

(i) The DUI program shall not conduct testing on a random basis.

(2) Been granted an approved leave of absence, pursuant to Section 9876.5.

(1) A participant required by the court pursuant to Vehicle Code Sections 23103.5(e) or 23140 to attend the educational component of a licensed program shall not be allowed more than two absences per period of enrollment. For purposes of this regulation, "period of enrollment" means the period from initial enrollment to completion or termination. A transfer from one DUI program to another, with no break in enrollment, counts as one period of enrollment;

(2) A participant of a first offender program shall not be allowed more than five total absences per period of enrollment;

(3) A first offender, who has been ordered by the court to participate in a DUI program for six months or longer, shall not be allowed more than seven absences per period of enrollment;

§ 9876.5. Leave of Absence.

(a) The DUI program shall require the participant to request a leave of absence whenever the participant is unable to attend any scheduled program activities for 21 days or longer. Participants may request a leave of absence for less than 21 days.

(b) To request a leave of absence, the participant shall submit to the DUI program a written request for leave of absence, and any documentation substantiating the need for a leave of absence. The written request shall specify:

- (1) The name of the participant;
- (2) The reason for requesting the leave of absence; and
- (3) The dates of the requested leave of absence.

(c) The DUI program shall require the participant to request prior approval for all leaves of absence, unless unable to do so due to circumstances beyond the participant's control. If the participant requests retroactive approval for a leave of absence, in addition to the information listed in Subsection (b) of this section, the request for leave of absence shall explain the circumstances that prevented the participant from requesting prior approval.

(d) The DUI program administrator or designee shall review the request.

(e) The DUI program director/administrator or designee shall approve a leave of absence only for:

- (1) Military personnel whose orders or responsibilities require an extended absence;
 - (2) Participants whose work requires travel for an extended period of time;
 - (3) Participants who are absent due to their own extended illness or medical treatment or that of a family member;
 - (4) Participants who are incarcerated or participating in a residential alcoholism or drug abuse recovery or treatment program;
 - (5) Participants who cannot participate in program services due to an extreme personal hardship or family emergency. The DUI program shall document in the participant's record the nature of the personal hardship or family emergency; and
 - (6) Participants who have requested a leave of absence for a vacation. A leave of absence shall be granted for a vacation only if the participant has made up all absences and paid all outstanding fees, assessed by the DUI program in accordance with the participant's ability to pay, pursuant to Section 9878 and 9879, prior to the leave of absence.
- (f) Prior to program completion, the DUI program shall require the participant to make up all scheduled program activities missed while on a leave of absence.

(g) Time missed while on a leave of absence shall not be counted as participation time.

§ 9878. Participant Fees.

(a) For purposes of this regulation, the term “participant” includes both individuals who are enrolled and are participating in the DUI program and individuals who are in the process of enrolling in the DUI program.

(b) Except as specified in (d) below, the DUI program shall set participant fees at a level sufficient to cover the cost of program services, including each participant's share of personnel and operating expenses incurred by the DUI program in providing program services.

(c) The DUI program shall charge only the program fee or any additional fee that has been approved by the Department pursuant to this section of regulation. The DUI program shall not increase program fees or additional fees unless a request has been submitted to the county alcohol and drug program administrator and submitted to and approved by the Department.

(1) In order to request to increase program fees or additional fees, the DUI program shall submit the following to the Department in writing:

(A) A cover letter indicating the proposed program fee and the rationale for the increase.

(B) A line item revenue and expenditure report for the prior fiscal year.

(C) A projected line item budget reflecting the proposed fee increase for the next fiscal year.

(D) A breakdown of the proposed program fee by unit of service.

(E) A revised payment agreement that includes the proposed fee increase.

(F) A standardized payment schedule in accordance with (d)(1) of this regulation.

(2) The county alcohol and drug program administrator shall have 30 days from receipt of a request to review the request and forward it to the Department along with a recommendation to approve or disapprove the request to increase program fees based on the following criteria:

(A) The DUI program's rationale for requesting the fee increase, such as increases in staff salaries or rent, facility improvements, etc.;

(B) The accuracy of the DUI program's representation of revenues and expenses provided, based on the county's last review and/or audit of the DUI program's records, and;

(C) Whether the proposed increase results in exceeding the profit or surplus limit established by the Department pursuant to (o) of this regulation.

(3) If the county alcohol and drug program administrator fails to forward the request and his/her recommendation to the Department within 30 days from receipt of the request, the DUI program may submit the request directly to the Department for approval.

(4) The Department shall have 30 days from receipt of the request to either approve or deny the requested program fee increase. In making the decision, the Department shall consider criteria described in (c) of this regulation. If the Department approves a fee increase request that is contrary to the recommendation made by the county alcohol and drug program administrator, the Department shall address each of the county's objections in the approval letter. In the event that the county alcohol and drug program administrator fails to forward the request as described in (c)(3) of this regulation, the Department may act without the administrator's recommendation.

(d) The DUI program shall establish and use a standardized payment schedule, approved by the Department in accordance with this subsection, to determine each participant's assessed program fee and schedule for payment of fees.

(1) The standardized payment schedule shall specify:

(A) The program fee and additional fees, broken out by cost of unit of service;

(B) The monthly income level at which the DUI program shall require the participant to pay a maximum program fee of no more than \$5.00 per month, in accordance with Subsection (f)(1) of this regulation;

(C) The monthly income level at which the DUI program shall allow the participant to extend payment of the program fee or shall reduce the participant's assessed program fee through one of the options described in Subsection (f)(3) of this regulation;

(D) The option the DUI program has elected to use, in accordance with Subsection (f)(3) of this regulation;

(E) A schedule for payment of fees, including the amount of down payment and the amount and frequency of payments required; and

(F) A sample of the participant contract containing the terms and conditions for a fee assessment and a payment schedule.

(2) The DUI program shall apply the standardized payment schedule equally in determining the participant's assessed program fee and payment schedule.

(3) The DUI program shall submit the standardized payment schedule to the Driving Under the Influence Program Branch (DUIPB), Department of Alcohol and Drug Programs, 1700 K Street, Sacramento, CA 95811, for review and approval:

(A) Prior to using the standardized payment schedule, and

(B) Whenever the DUI program modifies the standardized payment schedule.

(4) The DUIPB shall review the standardized payment schedule developed by the DUI program to determine if it complies with the requirements of this regulation and Section 11837.4 of the Health and Safety Code. Within 30 days of the date of the Department receives the standardized payment schedule, the DUIPB shall:

(A) Notify the DUI program that the standardized payment schedule was approved and the date of approval, or

(B) Notify the DUI program that the standardized payment schedule was not approved.

(5) If the DUIPB disapproves the standardized payment schedule submitted by the DUI program, the notice of disapproval shall inform the DUI program how the standardized payment schedule must be amended in order to be approved and shall explain the DUI program's right of appeal in accordance with this regulation.

(6) Within 15 days of the date shown on the written notice of disapproval, the DUI program shall submit:

(A) An amended standardized payment schedule to the DUIPB, or

(B) A written request for appeal of the DUIPB's decision to the Director, Department of Alcohol and Drug Programs, 1700 K Street, Sacramento, CA 95811.

(7) If the DUI program submits an amended standardized payment schedule, the DUIPB shall review it in accordance with Subsection (d)(4) of this regulation.

(8) If the DUI program submits a written request for appeal, within 15 days of the receipt of the request the Director or his/her designee shall:

(A) Review the DUIPB's decision and any subsequent documentation regarding the appeal, which was submitted by the DUI program, and

(B) Notify the DUI program in writing of his/her decision.

(9) Pending approval of the DUI program's standardized payment schedule, the DUI program shall collect the program fees using the most recent standardized payment schedule approved by the DUIPB. This requirement shall not preclude the right of any participant to have his/her program fee modified in accordance with subdivision (f).

(e) The DUI program shall document the participant's assessed program fee and payment schedule in the participant contract signed at enrollment. The DUI program shall amend the contract to reflect any subsequent increase or decrease in the assessed program fee or the payment schedule.

(f) If the participant notifies the DUI program that he/she is unable to pay the fee shown on the standardized payment schedule, the DUI program shall perform a financial assessment, in accordance with Section 9879, and shall allow participation in the program as follows:

(1) If the participant's monthly income is equal to or less than the general assistance benefit level for one person, established by the county board of supervisors pursuant to Part 5 (commencing with Section 17000) of the Welfare and Institutions Code, the DUI program shall assess the participant a maximum program fee of no more than \$5.00 per month for each month in which the participant's income is equal to or less than the general assistance benefit level for the county in which the DUI program is licensed to provide services. The assessed program fee shall be applicable for each month in which the participant is enrolled in the DUI program for one or more calendar days.

(A) At least once a year, on or before July 1, the DUI program shall request written notification of the current general assistance benefit level from the county alcohol and drug program administrator or the county board of supervisors. The DUI program shall retain a copy of the notification in its files and shall send a copy of the notification to the Department by October 1 of the same year.

(B) If the county board of supervisors has not established a general assistance benefit level, the DUI program shall assess the participant a maximum program fee of no more than \$5.00 per month for each month in which the participant's monthly income is \$300 or less.

(C) If the participant is eligible for a maximum program fee of no more than \$5.00 per month, the DUI program shall assess only the following additional fees:

The DUI program may assess a maximum additional fee of no more than \$5.00 each time it must reschedule a program service because the participant failed to attend or reschedule in advance, in accordance with the requirements of Section 9876.

The program may assess a maximum additional fee of no more than \$10.00 each time it reinstates a participant who was dismissed from the program, in accordance with Section 9886, or who voluntarily withdrew from the program.

The DUI program may assess a maximum fee of \$5.00 for processing a transfer to another licensed DUI program.

(2) If the participant's monthly income is greater than the general assistance benefit level for the county, the DUI program shall determine if it is equal to or less than 35 percent of the monthly median family income for the county, as shown on the most recent decennial census obtained from the county planning department or from the State Census Data Center, Department of Finance, 915 L Street, Sacramento, CA 95814.

(3) If the participant's monthly income is greater than the general assistance benefit level for the county but equal to or less than 35 percent of the monthly median family income for the county, the DUI program shall allow the participant to extend payment of the program fee [i.e. the extended payment option, described in subdivision (f)(3)(D) of this regulation] or shall reduce the participant's assessed program fee [i.e. the reduced fee option, described in subdivision (f)(3)(E) of this regulation].

(A) The DUI program shall elect to use either the extended payment option or the reduced fee option and shall use the option it has elected for all participants whose monthly income is greater than the general assistance benefit level for the county but equal to or less than 35 percent of the monthly median family income for the county.

(B) The DUI program shall notify the Department in writing of which option it elects to use.

(C) A DUI program may change its election of an option any time. To do so the DUI program shall submit a written request for approval to the Driving-Under-the-Influence Program Branch (DUIPB), Department of Alcohol and Drug Programs, 1700 K Street, Sacramento, CA 95811, at least 30 days prior to the effective date of a proposed change. In accordance with subdivision (d)(4) of this regulation, the DUIPB shall review the request to determine that it complies with the requirements of this regulation. The DUIPB shall notify the DUI program, in

writing, of its decision. The DUI program shall not implement the change until it receives approval from the DUIPB.

(D) If the DUI program elects to use the extended payment option, the DUI program shall assess the participant the full program fee shown on the DUI program's standardized payment schedule. The DUI program shall allow the participant to extend payment of his/her assessed program fee as follows:

The DUI program shall allow a participant in a three-month program no less than six months from the date of enrollment to pay the program fee.

The DUI program shall allow a participant in a six-month program no less than nine months from the date of enrollment to pay the program fee.

The DUI program shall allow a participant in a nine-month program no less than 12 months from the date of enrollment to pay the program fee.

The DUI program shall allow a participant in a 12-month program no less than 15 months from the date of enrollment to pay the program fee.

The DUI program shall allow a participant in a 18-month program no less than 18 months from the date of enrollment to pay the program fee.

The DUI program shall allow a participant in a 30-month program no less than 30 months from the date of enrollment to pay the program fee.

(E) If the DUI program elects to use the reduced fee option, the DUI program shall assess the participant's program fee as follows:

The DUI program shall divide the participant's annual gross income by 35 percent of the county median family income to determine the percentage of the program fee to be paid by the participant.

The DUI program shall multiply the resulting percentage by the program fee, shown on the DUI program's standardized payment schedule, to determine the dollar amount of the participant's assessed program fee.

For example:

If the county median family income is \$39,035, the DUI program would multiply \$39,035 by 0.35 to determine that 35 percent of the county median family income is \$13,662.

If the participant's income is \$10,930, the DUI program would divide \$10,930 by \$13,662 to determine that the participant would be required to pay 80 percent of the program fee.

If the DUI program fee is \$1,081, the DUI program would multiply \$1,081 by 80 percent to determine that the participant's assessed program fee would be \$865.

At its option, the DUI program may require the participant to pay his/her assessed program fee in accordance with the provisions of subdivision (f)(4) of this regulation, or the DUI program may allow the participant to extend payments as specified in subdivision (f)(3)(D) of this regulation.

(F) If the participant's income is greater than the general assistance benefit level for the county but equal to or less than 35 percent of the monthly median family income for the county, the DUI program shall not require the participant to pay a down payment that exceeds the cost of enrolling the participant in the program.

(4) If the participant's monthly income is greater than 35 percent of the monthly median family income for the county, the DUI program shall assess the participant the full program fee shown on the DUI program's standardized payment schedule. The DUI program shall allow the participant to pay his/her assessed program fee as follows:

(A) The DUI program shall allow a participant in a three-month program no less than three months from the date of enrollment to pay the program fee.

(B) The DUI program shall allow a participant in a six-month program no less than six months from the date of enrollment to pay the program fee.

(C) The DUI program shall allow a participant in a nine-month program no less than nine months from the date of enrollment to pay the program fee.

(D) The DUI program shall allow a participant in a 12-month program no less than 12 months from the date of enrollment to pay the program fee.

(E) The DUI program shall allow a participant in a 18-month program no less than 12 months from the date of enrollment to pay the program fee.

(F) The DUI program shall allow a participant in a 30-month program no less than 18 months from the date of enrollment to pay the program fee.

(G) The DUI program may require the participant to pay a down payment not to exceed 50 percent of the program fee for first offenders, or 20 percent of the program fee for multiple offenders.

(g) Except for participants who are eligible for a minimum fee of \$5.00 per month (as specified in (f) immediately above), the DUI program may charge for the following additional services:

Leave of Absence;

Returned check (excluding bank charge);

Missed Activity;

Rescheduling;

Transfer-Out (excluding transfer of non-enrolled participants and administrative referrals);

Transfer-In;

Reinstatement;

Duplicate DL 101 (research);

Late Payment Fee; and

Alcohol/Drug Screening (positive result);

The DUI program shall charge only for additional services shown in (g) immediately above. The DUI program shall provide justification in writing to the Department for any additional service it proposes to charge pursuant to Section 9878(c). Such justification shall include the activity and time involved to perform the task, and the classification and hourly rate of pay for the staff performing the tasks.

(h) The DUI program may allow a participant to voluntarily pay in advance for program services to be provided.

(i) The DUI program may withhold the participant's Notice of Completion certificate until the assessed program fee, and any additional fees assessed have been paid in full. Withholding of the participant completion certificate shall require an agreement between the parties, to be reflected in the participant contract or an amendment to that contract. (As used in this regulation, the term "completion certificate" means the Department of Motor Vehicles' Form DL 101.)

(1) The contract or amendment shall state that the participant has been informed of (and by signing the contract shows that he/she understands) the terms and conditions of the contract, and he/she agrees that the program Notice of Completion certificate may be withheld until the participant has paid the assessed program fee and any additional fees assessed.

(2) The contract or amendment shall be signed by the participant and by a DUI program representative.

(3) The DUI program shall retain a copy of the signed contract or amendment in the participant's record.

(j) The DUI program may allow the participant, at the DUI program's option, to pay the program fee on a weekly, bi-weekly, or monthly basis. If the DUI program requires the participant to pay the program fee on a weekly or bi-weekly basis, the total amount charged shall not exceed the total amount which would be required if payment were made in equal monthly payments.

(k) The DUI program shall refund to the participant any program fee paid in advance for services the participant did not receive. Refunds to participants who have been dismissed from the program shall be issued within ninety days from the date of dismissal. In calculating the amount to be refunded to the participant, the DUI program shall use the program fee per unit of service approved pursuant to this regulation.

(l) Prior to processing a participant's request for a transfer to another state licensed DUI program, the DUI program may require the participant to pay his/her assessed program fee due for services provided by the DUI program and any additional fees assessed in accordance with the provisions of this regulation.

(m) Prior to processing a participant's request for reinstatement to the program following a dismissal, voluntary withdrawal, or transfer, the DUI program may require the participant to pay his/her assessed program fee due for services provided by the DUI program, and any additional fees assessed in accordance with the provisions of this regulation.

(n) The county may assess an amount not to exceed five percent of gross program revenue per annum for its administration and monitoring of the DUI program, in accordance with Section 9801.5. The county may assess an amount in excess of five percent of gross program revenue per annum only with approval by the Department. Such approval shall require the county to provide justification of actual costs and services. Approval shall be valid only for the fiscal year for which it is granted.

(o) DUI program profit or surplus shall not exceed 10 percent of gross revenue from fees per annum.

(p) The DUI program shall maintain for Departmental review the current and previous fiscal year program budget and revenue and expenditure reports.

§ 9879. Financial Assessment to Determine Participant's Ability to Pay Program Fees.

(a) For purposes of this regulation, the term “participant” includes both program participants and potential participants, who have not yet been enrolled in accordance with Section 9848.

(b) The DUI program shall post a notice at each location at which program services are provided, in a location visible to all participants and to the general public, stating that:

(1) A participant may request the DUI program to conduct a financial assessment, in accordance with this regulation, to determine his/her ability to pay the program fee.

(2) The DUI program shall not deny services to a participant if, based on the results of a financial assessment, the DUI program determines that the participant is unable to pay the full program fee as shown on the standardized payment schedule.

(3) A participant may request the Department to review a financial assessment conducted by the DUI program, in accordance with this regulation. To do so, the participant shall submit a written request to the Driving-Under-the-Influence Program Branch, Department of Alcohol and Drug Programs, 1700 K Street, Sacramento, CA 95811.

(A) The Department shall review the financial assessment conducted by the DUI program only if the participant has provided documentation of income to the DUI program in accordance with the requirements of this regulation.

(B) The Department's review shall be limited to determining whether the DUI program has complied with the requirements of this regulation. If the Department determines that the DUI program has not complied with the requirements of this regulation, the Department shall issue a written notice of deficiency in accordance with Section 9824.

(c) The DUI program shall assess the program fee and set the payment schedule based on the participant's documentation of income and a standardized payment schedule developed in accordance with Subsection 9878(d).

(d) Prior to conducting a financial assessment, the DUI program shall:

(1) Schedule a financial assessment interview with the participant, and

(2) Notify the participant that he/she:

(A) Is required to provide documentation of his/her income, as specified in subdivisions (e) and (f) of this regulation, at the time of the financial assessment interview, and

(B) Will be assessed the full program fee, as shown on the standardized payment schedule, if he/she fails to provide documentation of income at the time of the financial assessment interview.

(e) The DUI program shall consider as income any of the following, when earned or received by the participant or any person legally required to support the participant:

(1) Gross wages, salaries, bonuses, commissions, and tips;

(2) Compensation for work-related expenses in excess of the actual expense;

(3) Net profits from self employment;

(4) Net income from real or personal property;

(5) Spousal support;

(6) Regular payments from Social Security, retirement, unemployment compensation, strike benefits from union funds, workers' compensation, veterans' payments, public assistance [including Aid to Families with Dependent Children (AFDC), Supplemental Security Income (SSI), emergency assistance money, non-federally funded general assistance or general relief money payments], educational grants, or training stipends; and

(7) Gross personal income as reported on the federal income tax return.

(f) The DUI program shall require any participant, who has requested a financial assessment, to provide the following documentation of income:

(1) If the participant provides an award letter from the county welfare department, confirming eligibility for general assistance, the DUI program shall require no further documentation of income;

(2) If the participant does not provide a general assistance award letter, the DUI program shall require him/her to provide the following documentation:

(A) An award letter from the county welfare department, or other governmental agency, documenting eligibility for other public assistance and indicating the income level on which eligibility was based; or

(B) Pay vouchers or pay stubs documenting salary for the prior two months; or

(C) Income tax returns for the prior calendar year. The DUI program may require the participant to provide a transcript or letter from the Internal Revenue Service or the State Franchise Tax Board verifying the income reported on the prior year's tax return.

(3) The DUI program may require the participant to sign a release of information authorizing the DUI program to obtain income and wage verification from the State Employment Development Department.

(4) The DUI program may accept other documentation of income at its option.

(5) The DUI program shall not require documentation of income other than that specified in Subsections (f)(1), (f)(2), or (f)(3) of this regulation.

(g) If the income documentation the participant provides shows weekly income rather than monthly income, the DUI program shall compute the participant's monthly income by multiplying the weekly income by 4.33 weeks per month. If the income documentation the participant provides shows annual income rather than monthly income, the DUI program shall compute the participant's monthly income by dividing the annual income by 12 months per year.

(h) The DUI program shall conduct a financial assessment interview within five days of any of the following circumstances:

(1) At the request of the participant or the DUI program, but no more frequently than every 30 days. At the time of the request, the participant shall provide:

(A) Documentation of a change in financial condition which may make the participant eligible for an adjustment of the program fee or payment schedule, or

(B) A written statement describing the need for a financial assessment.

(C) If the participant fails to attend a financial assessment interview scheduled at his/her request, the DUI program may require the participant to wait 30 days before scheduling a subsequent financial assessment.

(i) If the participant is 15 or more days delinquent in payment of program fees approved by the Department, the DUI program may suspend educational sessions, individual counseling sessions, and group counseling sessions for 15 days as shown below:

(1) At least ten days prior to the period of suspension, the DUI program shall provide the participant with a delinquency notice that contains the following information:

(A) The amount of program fees currently past due;

(B) A statement that failure to pay the delinquent amount will result in suspension of education, individual and group counseling services;

(C) A statement that failure to pay the delinquent amount by the end of the suspension period may result in an additional 30 day suspension or dismissal from the program;

(D) The procedure for disputing the accuracy of the delinquency;

(E) A statement notifying the participant of his/her right to request a financial assessment as specified in subdivision (h) of this regulation; and

(F) A statement that failure to schedule and appear for a financial assessment may result in dismissal from the program.

(2) The suspension shall remain in effect for a maximum of 15 days or until the participant pays the delinquent amount in full, whichever occurs first.

(3) When the DUI program suspends education, individual and group counseling activities for 15 days, the DUI program shall concurrently issue a notification of pending suspension of all program activities or dismissal if the delinquent fees are not paid in full by the end of the 15 day suspension period.

(A) The DUI program shall not assess fees for the services missed as a result of the 15-day suspension.

(B) The DUI program shall continue to conduct face-to-face interviews as specified in Section 9858.

(4) If the participant fails to pay the delinquent fees in full by the end of the initial 15-day suspension period, the DUI program may either suspend all program activities for a maximum of 30 days or dismiss the participant from the program.

(A) The DUI program shall not assess fees for services missed as a result of the 30-day suspension.

(B) The DUI program may dismiss a participant who was suspended and failed to pay the delinquent fees by the end of the 30-day suspension period.

(5) Program activities missed during the period of suspension shall not be considered as failure to attend program services without a leave of absence, pursuant to Sections 9876.5(a) and 9886(a)(5). The suspension time does not count as active time in the program and the 21 day attendance requirement in Section 9886(a)(5) does not apply.

(j) Following a financial reassessment, the DUI program shall require the participant to pay for services provided by the DUI program as shown below:

(1) When a financial reassessment determines that the participant is eligible for a maximum program fee of no more than \$5.00 per month, the DUI program may require the participant to pay for services provided by the DUI program prior to the date of the financial reassessment at the rate of payment which was assessed prior to the date of the reassessment.

(2) When a financial reassessment determines that the participant is no longer eligible for a maximum program fee of no more than \$5.00 per month, the DUI program shall not require the participant to pay the program fee in excess of \$5.00 per month for services provided by the DUI program during the period of eligibility and prior to the date of the reassessment.

(3) When a financial reassessment determines that the participant is eligible to pay the program fee through the extended payment option or the reduced fee option, described in Section 9878(f)(3), the DUI program may require the participant to pay for services provided by the DUI program prior to the financial reassessment at the rate of payment which was assessed prior to the date of the financial reassessment.

(4) When a financial reassessment determines that the participant is no longer eligible to pay the program fee through the extended payment option or the reduced fee option, described in Section 9878(f)(3), the DUI program shall allow the participant to pay for services provided by the DUI program prior to the date of the financial reassessment, at the reduced rate of payment.

(k) If a participant re-enrolls in the program following dismissal or voluntary withdrawal from the program, the DUI program may assess the program fee at the time of re-enrollment based on the approved program fee as shown on the standardized payment schedule in effect at the time of re-enrollment, except as follows:

(1) Any increase or decrease in the assessed program fee the participant is required to pay as the result of a financial assessment shall apply only to the remaining services to be provided.
