

MARIPOSA COUNTY EMERGENCY RESOURCES

[Fire and Smoke](#) · [Notifications](#) · [Medical and Behavioral Health](#)

RESOURCES FOR SMOKE & FIRE:

[California Air Resources Board \(CARB\)](#): This site covers the essential information about how to protect yourself from wildfire smoke.

[CALFIRE – Ready for Wildfire](#): This site has critical information about wildfire emergencies, including prepare for and protect against wildfire and signing up for emergency alerts.

[SmokeSense App](#) – A Citizen Science Project Using a Mobile App Download in the App Store. EPA launched this study to raise awareness of health effects from wildfire smoke, improve communication and help people protect their health from smoke.

[California Smoke Blog](#): This is a great collection of up-to-date resources for California communities affected by wildfire smoke. It is a voluntary effort by several public agencies.

[Alert Wildfire Cameras](#): This site shows real-time camera views in wildland areas that are used to help fire fighters discover, fight and monitor fires. Community members can report ignitions as well as choose your location to see the camera view.

[Mariposa County Air Pollution Control District](#): This site is our local page with links to a variety of resources for Mariposa County.

[Burning regulations](#)

[Burn Permits](#)

[Build your own air filter](#) : this site provides a simple step-by-step guide to building your own air filter.

[Fire and Smoke Map](#): This site provides current information on air quality, fire information, smoke plums, and smoke statements.

[California Prescribed Burn Association](#): This site provides general information about prescribed fire.

[Sierra National Forest](#): This site provides information on the local Sierra National Forest and contains information on fire safety on Forest Service land.

[Prescribed Fire Information Reporting System \(PFIRS\)](#): The system will not send out alerts, but you can look at the map and see the prescribed burns planned or approved for any given day or date range.

[University of California: Agriculture and Natural Resources Mariposa County Fire Education Program](#): This site provides information and trainings on prescribed burns and wildfires.

Mariposa County Fire Department: This site provides information on local burn days, burn permits, prescribed burns, wildfires, and prevention tips.
